DECLARATION

As below named inventors, we hereby declare that:

Our residence, post office addresses, and citizenship are as stated below next to our name.

We believe we are the original, and first inventors of the subject matter which is claimed and for which a patent is sought on the invention entitled **MULTIPLE-WING BALLOON CATHETER TO REDUCE DAMAGE TO COATED EXPANDABLE MEDICAL IMPLANTS**, the application for which is filed herewith in the United States Patent and Trademark Office.

We hereby state that we have reviewed and understand the contents of the above identified specification, including the claims, as amended by an amendment, if any, specifically referred to in this declaration.

We acknowledge the duty to disclose all information known to us to be material to patentability as defined in Title 37, Code of Federal Regulations, Section 1.56.

We hereby claim foreign priority benefits under Title 35, United States Code, Section 119 of any foreign application(s) for patent or inventor's certificate listed below and have also identified below any foreign application for patent or inventor's certificate having a filing date before that of the application on which priority is claimed:

None

We hereby claim the benefit under Title 35, United States Code, Section 120 of any United States application(s) listed below and, insofar as the subject matter of each of the claims of this application is not disclosed in the prior United States application in the manner provided by the first paragraph of Title 35, United States Code, Section 112, I acknowledge the duty to disclose all information known to me to be material to patentability as defined in Title 37, Code of Federal Regulations, Section 1.56, which became available between the filing date of the prior application and the national or PCT international filing date of this application:
